"Get Jellyflug now if you have ever enjoyed a platformer in your life." -- iPhoneAppReview

"Jellyflug truly matches wits with some of the best level designs the 16-bit era had to muster" -- iFanzine

"The level designs are great, putting me in mind of some of the most fun and challenging platformers of the 16-bit era" -- Tapscape

Jellyflug brings you to the wonderful world of micro organisms. This is the debut application created by the innovative games company, Troll Inc. Experience hours of adventure exploring the microscopic world through the eyes of a bacterium. See the micro world like never before as you meet bacteria and viruses whilst testing your gameplay wits at the same time. Interact in this new platform game with fluid controls and a unique graphics style.

Welcome to the Micro World of Jellyflug!

Play as Grash, an undiscovered bacterium that has been abruptly taken from his home in the bathroom by a boorish household pet. An adventurous journey of micro proportions where you have to run, jump and use all your wits to survive. Help Grash make his way through the vast dangers of the human household and the more terrifying human body to return to his colony.

But, you are not alone against the dangers of the micro-world; your strain of baby bacteria will help you! Use them to battle against a multitude of enemies and overcome obstacles blocking your way.

Many trials await Grash along the way; from great oceans of bleach to soapy bubbles and pits of acid. Collect items to learn more about the microscopic world and figure out enemies' weaknesses.

Explore different worlds with 15 levels full of adventure waiting for you. Live out a unique experience where you will interact with over 45 original microscopic characters; through which you can learn and distinguish the different microbes that are all around us in our everyday lives.

Jellyflug implements touch based controls featuring simple, responsive on-screen buttons. With a stunning graphics style, fiendish puzzles, innovative gameplay and exciting movies make this game a very unique and addictive adventure.
